SS24 COLLECTION

La nueva colección de Meisïe se inspira en el concepto y estética de un Oasis, como un lugar lleno de color donde nos sentimos cómodos, relajados y conectamos con nosotros mismos y con la naturaleza que nos rodea.

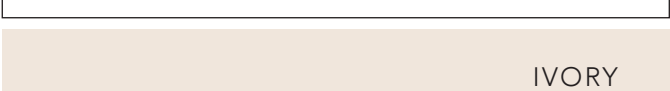

Con vestidos fluidos, divertidos twinsets, materiales ligeros y detalles hechos a mano, te invitamos a aprovechar al máximo cada día soleado y a convertir cada destino en tu lugar favorito.

The new Meisïe collection is inspired by the concept and aesthetics of an Oasis, as a place full of color where we feel comfortable, relaxed and connect with ourselves and the nature that surrounds us.

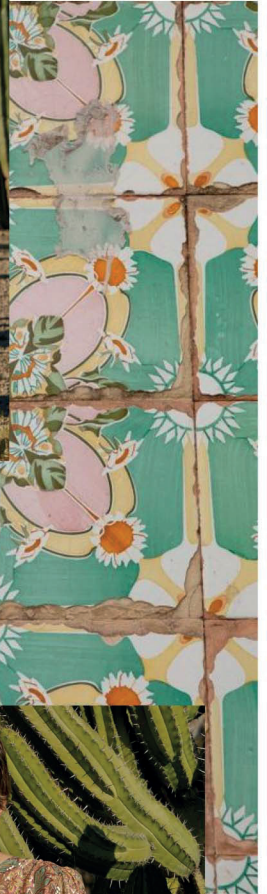

With fluid dresses, fun twinsets, light materials and hand-made details, we invite you to make the most of every sunny day and turn each destination into your favorite place.

MARGEN UP

SPRING - SUMMER 2024

Como cada temporada, en Meisie hacemos una selección de modelos llamados Margen Up. Se venden rebajados toda la temporada para que así el cliente se beneficie de un margen mayor. Encontraréis estas prendas señalizadas en cada showroom y en la web de Meisie.

Every season, at Meisie we make a selection of models called last chance. They are sold at a discount throughout the season, this way, the customer will benefit from a higher margin. You will find these items marked in each showroom and on the Meisie website.
